FOREWORD

As one year fades away and the next begins, another class has graduated. But will high school days be forgotten and left behind ?

The 1961 Highlander was printed in order that we may always be able to look back and recollect the happy, carefree, and yet busy hours we have spent in the Highland County Schools; to see at a glance our classmates, friends, and teachers; and to keep in our hearts the many fond memories of days gone by.

We hope that each and every one greatly enjoys the book. May it always remind you of moments you wish to remember.

IN APPRECIATION

This year we would like to recognize one who has so willingly dedicated her services to our school as well as other schools of the County. Her friendliness, loyal service, and care she has rendered to our school have made us look to her with love and respect. It is with great pleasure that we express our heartful appreciation to Mrs. L. O. Rose, retired teacher and librarian.

We Seniors are leaving Monterey High School with a feeling of regret, knowing that an important phase of our life is finished. We wish, in parting gesture, to extend our thanks and appreciation to all our advertisers, patrons, and friends who have made this yearbook a reality.

As we leave we shall remember these years with much pleasure.
